Dangerous Prayers attacks the source of your problem which is the best way to make an attack. Once the source of a problem is conquered, the other length of the problem dies away.

Mark 11: 25-26**

INTRODUCTION

As you have known what dangerous prayers is all about, I introduce I introduce to you this prayer with carefulness. These prayers are not the type of cut and nail prayers, but a violent one. The kingdom of Heaven suffereth violence, the violent take it by force (Matt 11:12). The solution of a problem cannot come without first destroying the source. Once the source is destroyed, the solution will come. Make dangerous prayers your partner, pray it daily and quench the fire of the devil against you.

WARNING

This prayer is not to be said anyhow by anybody. This is not the prayer of sinners. If you are still living in sin PLEASE do not pray this prayer. If you are not truly Born Again this prayer is not for you. I know that your life will never be the same again after praying these prayers. Praying these prayers is fighting a spiritual war, so you must be prepared (Eph 6:12). You are challenging all the powers of darkness against your life. You want to set your self free from the cage of the devil.

Dangerous Prayers

TO HELP YOU DO THIS

You can be born again right now, confess and forsake your sins now. Accept Jesus Christ as your personal Lord and Savior.

HINDRANCES

Confess anything that satan will lay hands on and hinder your prayers. The devil knows the scriptures better than you. The devil knows that the prayer of a sinner is an abomination before God. He also knows that the effectual fervent prayer of a righteous man availeth much. Do not let the devil have any ground of accusation against you. If he (satan) does, he will hinder your prayers because you did not obey the scripture.

PRAY THIS PRAYER NOW

In Jesus name, In the Mighty name of Jesus Christ, in the victorious name of our Lord Jesus Christ of Nazareth. Heavenly Father I come unto you through Jesus Christ and by the power of the Holy Ghost.

I confess all the sins I have committed, consciously or unconsciously through thoughts, words and actions, I forsake all these sins and promise not to go back to them again.

Jesus Christ I receive you afresh in my life as my personal Lord and Savior. Come into my life now; write my name in the book of life. Give me the grace to be faithful to the end.

HOW TO PRAY THIS PRAYER

Dangerous Prayers

- Do not kneel down while praying this prayer
- Stand up and charge yourself like a warrior
- Hold this book and read through. Life and death are in the power of the tongue. You can pray these dangerous prayers by day or night. These prayers operate at anytime but preferably during the night.
- Cover yourself, your house, your family, your loved ones, your properties etc. with the blood of Jesus Christ before you begin to pray.
- Confess the Perfect Will of God concerning you (i.e. the scriptures under the perfect will of God).
- In case after praying you have a spiritual attack, pray it again. The attack is because you have shaken and destroyed something in the kingdom of darkness. Ride on with your prayers, for you are really becoming violent in the spirit.
- In severe demonic and satanic attack, hindrances or influences, keep seven days of vigil with these prayers, from 12 midnight till 3 a.m. at least in doing this, you will disturb and hinder the enemy from holding any meetings against you in particular and others in general. Due to these constant disturbances you are causing them, they will remove your name from the list of victims. It automatically brings you freedom and solutions to your problems.
- This prayer cannot carry you from 12 midnight to 3 a.m. You have to say other prayers in addition to this one. You can even pray it two times or more within the three hours of vigil. (That is not prayer repetition but adding more fire to the already made fire against satan).
- Pray gradually with meaning and understanding to what you are saying. Avoid shouting in case you are in a crowded house. Your shouting may disturb others, so pray in a normal way.
