Description

From internationally bestselling author K.A. Tucker comes the third novel in her Fate and Flame series, an adult fantasy novel that should be read in series order."You betrayed your

brother to steal a broken crown." The kingdom stands on the brink of chaos. Atticus' grip on the realm is faltering, and as threats arise ever closer to home he is driven to increasingly desperate acts to hold onto power. With Islor's fate now in the balance, Zander stands to defend the Rift from the oncoming Ybarisan army. With the king's forces scattered, he must risk unlikely new alliances. And behind the walls of Ulysede, secrets wait for its new queen.

Romeria knows that the paths of the hidden city will lead her to answers. But will they be enough to save the realm ? or is their fate already sealed?
